Vote for Chas Warlow in London South West

Chas Warlow will stand for the Green Party in the South West London constituency in the **London Assembly elections** on Thursday 2 May 2024. The Assembly election is on the same day as the separate Mayoral election. Zoë Garbett is the Green Party Mayoral candidate.

Chas is one of five Green councillors in the London Borough of Richmond. Before he became an active member of the Green Party he was involved in community energy projects, helping residents save money and energy. Chas says: “I got into politics because we need to create a future for future generations. It’s that positive vision

that people are crying out for – because we all know that time is running out”.

Vote for Freya Summersgill in Brentford and Isleworth

Freya Summersgill will stand as the Green Party candidate in the constituency of Brentford and Isleworth in the **next parliamentary elections**. Freya is a civil engineer with a PhD in slope stability and designs building foundations and infrastructure.

Freya says: “As a local resident with a young family, I am invested in creating a better community now and for the future. The Green Party stands for environmental and social justice, demanding the change we need to see in our policies and laws. We need more engineers, women and

informed environmental voices in Parliament”

Stop dumping sewage

We strongly oppose sending partially treated sewage from the Mogden sewage works into the River Thames! The frequent spills are a risk to health and wildlife in the river.

We have responded to the consultation on a proposal to extract water from the River Thames at Teddington and encouraged Thames Water to reduce leaks and consumption instead.

Have your say

Brentford and Syon Area Forum meets every three months. Full details are on the Hounslow Council website. *Please join us to raise local issues and hold the council to account.*

We always engage with the Council and other consultations to raise environmental issues on topics as diverse as Heathrow noise, Climate Change, Design Codes,

Save our allotments

Antony Agius, a Green Party member and an allotment holder, spoke out against the **proposal to build seven blocks of flats on the Park Road Allotments in Isleworth** at the Planning Appeal Enquiry. Anthony highlighted the impact on biodiversity and the existing Green Corridor for wildlife.

Will you help us get more Greens elected?

We are working hard to get more Greens elected so we can raise critical issues of social and environmental justice at local, London and national level. Could you help by **delivering leaflets, replying to consultations, talking to electors or making a donation?**
