

# FELTHAM & HESTON

**JUNE 2024**

## **VOTE FOR A FAIRER FUTURE**

**YOUR GREEN PARTY CANDIDATE ON 4<sup>TH</sup> JULY**

**KATHARINE KANDELAKI**

Katharine, a local resident for over 16 years, is standing for a fairer, greener future.

I entered politics frustrated at the failures of the main parties to address the urgency of the climate crisis. I found a home with the Greens who stand for people and planet. We must have a liveable world for our children, protecting our green spaces and fighting for equality and the common good.

We desperately need change, but what Labour is offering lacks ambition. The strength of the Green vote in any area influences the policies of the winner.

### **REAL HOPE. REAL CHANGE. VOTE GREEN**

If you vote for the Green Party on 4<sup>th</sup> July, yours is a vote YES for hope; YES to inclusivity; YES to a fairer society; YES to protecting UK's green spaces.

#### **Your local Greens are campaigning for a fairer future:**

- ❖ **Defending the NHS, health, and social care**
- ❖ **Improving affordability and availability of housing**
- ❖ **No more sewage or pollution in rivers & the sea**
- ❖ **Better standard of living for all**
- ❖ **Addressing the Climate Crisis and protecting nature**

Katharine says:

“ I want a world without wars, where people respect each other, and our planet. The Green Party has a vision of a better world, where people of every race, colour, religion and background respect each other. Peace should be a way of life, a basic human right. ”

# DEFEND OUR NHS FOR EVERYONE

## SUPPORT AND VALUE OUR NHS STAFF

Defending our NHS and making sure people have access to free healthcare, is a Green priority.

**Vote Green** to show support for a properly funded NHS:

- ★ an improvement in hospital waiting times
- ★ better access to NHS services
- ★ more resources for the NHS
- ★ staff that are paid properly to do their jobs.

## GREEN SUPPORT FOR PEACE IN GAZA

### UPHOLD INTERNATIONAL LAW & THE UK'S REPUTATION

The Green Party has repeated its call for a full bilateral ceasefire, the release of all hostages, the suspension of arms exports to Israel and for key players in the Netanyahu government to be held accountable for possible war crimes.

Our position has been clear since and before October 2023 – see our website/social media for views from the local Hounslow Greens on Palestine.
