GREENS ON THE MOVE

MORE ELECTION SUCCESS FOR THE GREEN PARTY

FREYA SUMMERSGILL

Increase in Green Party councillors

The Green message to put **people and planet first** is being heard, with more than **800 councillors elected** across the nation. We are continuing to build momentum as we fight for 4 Green MPs to represent social and environmental justice in Parliament.

The strength of the Green vote in any area influences the winner. **Green policies are adopted when the voters show their support**, especially in a safe seat like Brentford & Isleworth. Vote with your conscience. Vote for your community. Vote Green.

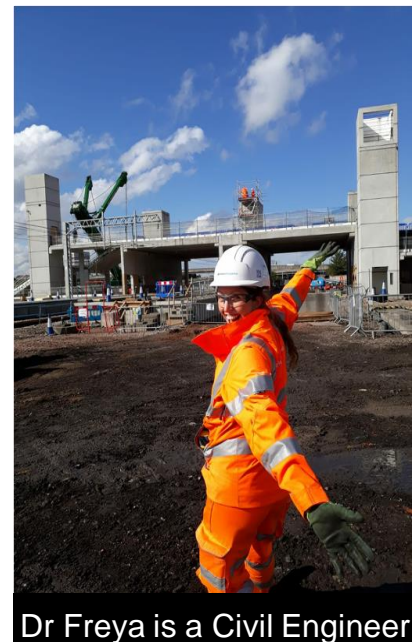

“Wanting a stable, healthy community for my young family has motivated me to stand in the General Election. A vote for **Freya Summersgill** means Green policies in Brentford.”

MOTIVATED & INFORMED

A HEALTHY COMMUNITY FOR BRENTFORD & ISLEWORTH

Freya is a Brentford resident, working in construction whilst raising a young family. She is driven and passionate about creating a thriving and sustainable future for her community.

She believes in showing **leadership** by example, whether that is as a youth volunteer or informing herself and her colleagues about sustainable building design. As an environmental & social activist from a young age, Freya knows individual choices can make an impact but in a **Climate Emergency** we need change at government level.

Dr Freya is a Civil Engineer

Freya says: “The lack of motivation and political support at a national and international level is holding our country back. I understand the pressures we are all feeling but we can demand the choices that will **build a liveable world for our children.**”

GREEN SUPPORT FOR PEACE IN GAZA

UPHOLD INTERNATIONAL LAW & THE UK'S REPUTATION

The Green Party has repeated its call for a full bilateral ceasefire, the release of all hostages, the suspension of arms exports to Israel and for key players in the Netanyahu government to be held accountable for possible war crimes. Our position has been clear since and before October 2023 – see our website/social media for views from the local Hounslow Greens on Palestine.

LOCAL DEVELOPMENTS FOR LOCALS

GREENS SPEAK UP FOR NATURE AND RESIDENTS

Planning guidance and the Local Plan are up for consultation again this summer. These important documents will be used for planning decisions and must envision a future that current residents actually want. We must ensure sufficient services during as well as at the end of the redevelopment. Follow us on social media for our responses on climate adaptation, active travel etc.
