

INTRODUCING FREYA SUMMERSGILL

Your candidate:

Dr Freya Summersgill is a Brentford resident, working in construction whilst raising a young family.

She is driven and passionate about creating a thriving and sustainable future for her community.

Freya says:

“As a mother, I hope my children will grow up in a fairer, inclusive and safe community. To create this future, I lead by example: as a youth volunteer encouraging girls to reach their potential, at work by challenging the construction industry to design sustainable buildings and by responding to local consultations on planning, active travel, air & water quality.

“I am standing to give Brentford and Isleworth the choice for a stronger optimistic Green voice in parliament.”

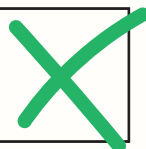

“Green MPs will push the Government to think bigger and do better.”

Real Hope.
Real Change.
